

Keep Yourself Smelling Sweet®

Natural Spa Treats for the Tub

Workshop Participation Fee: \$25.00

Today we are creating fun tub treats for you to relax and enjoy. These body-loving treats are super easy to make and just down right luxurious! Creating your own natural products with great ingredients that you probably already have will bring you hours of fun. You will want to make and share these goodies with your family and friends.

Participants will make and take home:

- Bath Salt Foot Scrub
- Dessert polish with real food!
- Anhydrous (water free) Sugar Scrub

We will supply fragrances for you to use in class, however you are welcome to bring in your own. Lets have fun!
